## Safe Medication Storage

Provided by the Benton Franklin County Medical Society  
[www.bentonfranklincms.com](http://www.bentonfranklincms.com)

---

As part of our member's commitment to reducing prescription drug abuse, we are pleased to provide this resource for patients.

- Never share or sell your prescription opioid medications
- It is best to keep opioids locked in a safe location, always away from children and out of site from others
- Always leave medication in the original bottle with the label attached
