Discuss the life of Andy Warhol and explain how his death in the hospital after an operation predated the hospital and safety movement and its elements of root cause analysis, transparency and system improvement

Review psychosocial aspects of diabetes management • Identify psychosocial interventions which can positively affect outcomes • Discuss clinical inertia, identify its causes and develop strategies to overcome it

Review the Death With Dignity Act and steps a patient must take to access the act • Define the roles of the attending and consulting physician

Review the most common orthopedic ailments seen in primary care • Assess appropriate diagnostic imaging • Evaluate indications for evaluation to a specialist

Review the diagnosis and management of heart failure across stages • Review diagnostic testing for diagnosis and management of CHF

Review the evaluation and diagnosis of CKD • Discuss the mechanisms of acute kidney injury and progression to CKD • Implement evidence-based cost-effective clinical strategies for the diagnosis and treatment of CKD in adults

Describe non-opioid pharmacologic approaches to acute and chronic pain • Describe non-pharmacologic approaches to acute and chronic pain • Describe interventional approaches to chronic pain management • Discuss how a team approach to pain management can positively impact patient outcomes

Continuing Medical Education

The Benton Franklin County Medical Society is accredited by the Washington State Medical Association to provide continuing medical education for physicians.

The Benton Franklin County Medical Society designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity meets the criteria for up to 7.25 hours of Category I CME to satisfy the relicensure requirements of the Washington State Medical Quality Assurance Commission.

Physician Assistants and Nurse Practitioners may submit AMA Category I CreditsTM to your Boards for approval. Registered Nurses: The American Nurses Credentialing Center and the State of WA accept AMA Category I CreditsTM for CE Competency Compliance.
