

## Resolution of Conflict of Interest Form

**Name:**

**Role in CME Activity:**

**Name of CME Activity:**

**Date of Activity:**

**Resolution:** To assure independence and balance of content, current conflicts of interest were resolved by the following processes:

### **CME Activity Planners**

- Topic/presentation not found to be pertinent to disclosed relationship
- CME Committee member recused themselves from planning role for the portion of the activity where the conflict exists.
- Individual ended financial relationship
- Other:

### **CME Faculty/Speaker**

- Content to be presented is reviewed by CME Committee in advance to assure content balance. If bias is found, speaker is asked to revise content to resolve bias. See comments below for actual action taken.
- Selected alternative speaker who does not have a related commercial interest
- Reference the best available evidence – the content of the activity can reference the best available evidence and identify conclusions that support this evidence.
- Limit the content in question to exclude recommendations – if an individual assigned to a topic has a conflict of interest, the topic content can be limited to only include only published research and not recommendations or conclusions
- Other:
